## Application for Regular Membership

I (we) do hereby make application to the American Herbataurus Society for membership and upon acceptance agree to abide by the society rules and amendments, which may be subject to modification. It is understood that in order to retain active membership status that affords society privileges, animal records must be kept current and submitted in a timely fashion along with appropriate fees. By signing this application for membership, applicant acknowledges receipt and understanding of primary rules and regulations. Signature also implies that applicant shall undisputedly waive any claim against this society, its members, employees or agents for any act or omission in connection with the society but not limited to the enforcement of the rules and regulations presently in effect or hereafter adopted by the American Herbataurus Society.
